Hello Students!

My name is Buster Bronco and I need some help getting around campus, as I am still trying to figure out the lay of the land.

I am hoping that you and your friends can help me cross off all of the places I need to go to today while you are visiting Boise State University. Are you up for the challenge?

It is important that you get a picture at each place on the list so I can have it to help me remember where everything is located!

After you visit a place on campus, please make sure to cross it off so we do not accidentally visit it twice. I appreciate your help!

Let’s have some fun,
Buster the Bronco

**Buster’s Campus Stops:**

- ☐ Hey! My name starts with a B, so let’s find the big B on campus.
- ☐ Let’s visit the Interactive Learning Building (ILC) with Einstein Bagels, so that we can get some lunch.
- ☐ I like to read books, so let’s go to the Albertsons library!
- ☐ Visit Friendship Bridge along the Greenbelt. I hear you can sometimes see giraffes from there!
- ☐ Find Housing’s First Year Village so that I can wave ‘Hi!’ to my friends.
- ☐ The Bronco statue (that’s me!) is outside of Allen Noble Hall of Fame.
- ☐ I love to bowl, so check out the bowling alley in the Student Union Building (SUB).
