

JEN SCHNEIDER
Curriculum Vitae

ADDRESS PhD Program, Public Policy and Administration
School of Public Service
Boise State University
1910 University Drive
Boise, ID 83725
jenschneider@boisestate.edu

EDUCATION Ph.D., Cultural Studies (2004)
Claremont Graduate University, Claremont, California

M.A., Cultural Studies (1999)
Claremont Graduate University, Claremont, California

B.A., French (1996)
Albertson College of Idaho, Caldwell, Idaho

PROFESSIONAL HISTORY

Professor, School of Public Service. Boise State University, Boise, ID. March 2018 to present. <http://sps.boisestate.edu/publicpolicy/faculty-and-staff/jen-schneider/>

Associate Professor, School of Public Service (PhD and Masters Programs in Public Policy and Administration). Boise State University, Boise, ID. August 2014 to March 2018.

Associate Professor, Liberal Arts and International Studies. Colorado School of Mines, Golden, CO. May 2013 to August 2014.

Assistant Professor, Liberal Arts and International Studies. Colorado School of Mines, Golden, CO. August 2007 to May 2013.

Lecturer and Writing Consultant, Campus Writing Program, Liberal Arts and International Studies. Colorado School of Mines, Golden, CO. August 2003 to July 2007.

AFFILIATE and ADMINISTRATIVE APPOINTMENTS

Faculty Director, School of Public Service. Boise State University, Boise, ID. July 2018 to present.

Director, PhD Program, Public Policy and Administration. Boise State University, Boise, ID. July 2016 to June 2019. <https://sps.boisestate.edu/publicpolicy/phd/>

Associate Director, Boise State EPSCoR Grant. October 2015 to May 2018.
<http://www.idahoepscor.org>

Director, MILES Undergraduate Research and Internships Program (MURI). Boise State

University, Boise, ID. August 2015 to August 2016.
<https://www.idahoecosystems.org/education/muri>

Affiliate Faculty, Human and Environmental Systems Center, College of Innovation and Design. Boise State University, Boise, ID. August 2015 to August 2017.
<http://hes.boisestate.edu/who-we-are/faculty/>

Faculty Fellow, Public Policy Research Center. Boise State University, Boise, ID. November 2014 to 2016. <http://sps.boisestate.edu/pprc/research-fellows/>

Faculty, McBride Honors Program in Public Affairs. Colorado School of Mines, Golden, CO. September 2013 to May 2014.

Managing Editor, *Journal of Engineering Studies*. June 2008 to March 2010.

Coordinator, First Year Writing (Nature and Human Values) and LAIS Writing Center. Colorado School of Mines, Golden, CO. August 2004 to December 2007.

PUBLICATIONS and PROJECTS

Books and Themed Issues

4. Snieder, Roel, and **Jen Schneider** (2016). *The Joy of Science: Seven Principles for Scientists Seeking Happiness, Harmony, and Success*. Cambridge University Press.
3. **Schneider, Jen**, Pete Bsumek, Steve Schwarze, and Jennifer Peeples (2016). *Under Pressure: Coal Industry Rhetoric and Neoliberalism*. Palgrave Macmillan.
2. Lucena, Juan, **Jen Schneider**, and Jon Leydens. *Engineering and Sustainable Community Development* (2010). Synthesis Lectures on Engineers, Technology, and Society. Caroline Baillie, editor. Morgan and Claypool Publishers.
1. **Schneider, Jen** (2010, Apr.). Themed Issue editor, "Engineering and Social Justice." *Engineering Studies, Journal of the International Network of Engineering Studies*. 2.1.

Websites, Reports, and White Papers

5. **Schneider, Jen**. *Community Workshop Series Three Report 2018*. Fall 2018.
<https://www.livboise.org/initiatives/community-conversation-on-growth/community-workshop-series-three-report-2018/>
4. **Schneider, Jen**. *Community Workshop Series Two Report 2018*. Fall 2018.
<https://www.livboise.org/initiatives/community-conversation-on-growth/community-conversations-series-two-report-2018/>
3. **Schneider, Jen**. *Community Workshop Series One Report 2018*. Summer 2018.
<https://www.livboise.org/initiatives/community-conversation-on-growth/community-workshop-series-one-report-2018/>.
2. Benner, Shawn, Ana Costa, Curtis Crandall, Jillian Moroney, and **Jen Schneider** (2018). *The Treasure Valley Water Atlas: Narratives About the Boise River*.
<https://cid.boisestate.edu/tvwa/>

1. Narducci, Jenna, Christian Sprague, Jodi Brandt, **Jen Schneider**, Jillian Moroney, Michail Fragkias, and Shawn Benner. "Projecting urban expansion in the Treasure Valley to 2100." October 2017. <https://cid.boisestate.edu/hes/wp-content/uploads/sites/5/2017/10/Whitepaper-Projecting-Urban-Expansion-in-the-Treasure-Valley-to-2100.pdf>

Articles Under Review

1. Bsumek, P., S. Schwarze, J. Peeples, and J. Schneider (in preparation). The strategic gesture: Social movement rhetoric, climate activism, and Bill McKibben.

Refereed Articles

17. Fry, V., **J. Schneider**, S. Sargent-Hu, C. Anderson, and E. Olson (2018). 'Convoluting Journeys': Integrating non-profit organizations and university science. *Society and Natural Resources*.

FUNDED RESEARCH and PROJECTS

16. Brandt, Jodi (Project Director), Shawn Benner (Co-I), Neil Carter (Co-I), Marianne de Graaff (Co-I), Julie Heath (Co-I), Vicken Hillis (Co-I), Jen Pierce (Co-I), Jen Schneider (Co-I), and Rebecca Som Castellanos (Co-Investigator). "Developing Integrated Research and Decision Support Tools to Support Farmland Preservation for Ecosystem Services (FarmPrES)." United States Department of Agriculture. September 2019-August 2021. Total award: To be announced Fall 2019.
15. Tomblin, David (PI), and Jen Schneider (Co-PI). "Participatory Technology Assessment and Cultures of Expertise in the U.S. Federal Government." National Science Foundation, STS Program. September 2018-May 2021. Total award: \$214,751.
14. Funded Participant, "Energy Democracy: Creating a Research Agenda." National Foundation STS workshop. University of Utah. July 12-14, 2017.
13. Participant and moderator, "Overcoming Challenges to Infusing Ethics into the Development of Engineers." Center for Engineering Ethics and Society, National Academy of Engineering. Funded by the National Science Foundation. January 10-12, 2017.

12. Mooney, Michael (Principal Investigator), Tracy Camp (co-Principal Investigator), Jen Schneider (co-Principal Investigator), Andre Revil (co-Principal Investigator), Linda Figueroa (co-Principal Investigator). IGERT: Intelligent Geosystems. National Science Foundation. Total award: \$3,000,000. 2013-2014.
11. Funded Participant, National Science Foundation STS Forum on the 2011 Fukushima/ East Japan Disaster. University of California, Berkeley. May 12-14, 2013.
10. Mooney, Michael (Principal Investigator), Andre Revil (co-Principal Investigator), Jen Schneider (co-Principal Investigator), Wendy Zhou (co-Principal Investigator). "Advancing Earth Dam and Levee Sustainability through Monitoring Science and Condition Assessment." Co-Principal Investigator. National Science Foundation. 2012-2016. Total award: \$4,158,783.
9. Packard, Corinne, Derrick K. Hudson, Jason A. Delborne, Jennifer Schneider, Laura L. Heller (Principal Investigators). "NUE: Nano-Science, Technology, Ethics, and Policy (NanoSTEP)." National Science Foundation. 2011-2013. Total award: \$200,000.
8. "Partnership for Education on Climate Change, Engineered Systems, and Society." Senior personnel. National Science Foundation. Total award: \$1,000,000. CSM award: \$109,974.
7. Schneider, Jen (Principal Investigator) and Cortney Holles (Co-Principal Investigator). "Communicating Science at CSM and Beyond." John U. and Sharon L. Trefny Curriculum and Development Program. Colorado School of Mines. 2010-2011. \$5,000.
6. Delborne, Jason (Principal Investigator) and Jen Schneider (Senior Personnel). "World Wide Views on Global Warming: Process and Outcomes." National Science Foundation. 2009-2010. Total award: \$234,955. CSM award: \$51,502.
5. Lucena, Juan, Jen Schneider, and Jon Leydens (Principal Investigators). "Engineering and Social Justice: Research and Education of (In)commensurable Fields of Practice." National Science Foundation. 2009-2012. CSM award: \$272,751.
4. Participant, National Academy of Engineering workshop on Humanitarian Engineering, Sustainable Community Development, and Social Justice, October 2008.
3. "Enhancing Engineering Responsibility with Humanitarian Ethics: Theory and Practice of Humanitarian Ethics in Graduate Engineering Education." Senior Personnel. NSF Grant # EEC-0529777. 2007-2009. CSM award: \$225,000.
2. U.S. Representative, National Science Foundation-funded US-India Nanotechnology and Nanosciences Institute (USINSEI), Chennai, India, January 8-18, 2008.
1. Co-facilitator, National Citizens' Technology Forum on Nanotechnology. Supported by the National Science Foundation and Center for Nanotechnology and Society, Arizona State University. 2007-2008.

RECOGNITIONS

10. Top paper, Environmental Communication Division, National Communication Association Convention. November 2017. For Pete Bsumek, Steve Schneider, Jen

Schneider, and Jennifer Peeples, "Beyond resistance: Bill McKibben, the strategic gesture, and a rhetoric of transition."

9. Top paper, Environmental Communication Interest Group, Western States Communication Association Convention. February 19, 2017. Salt Lake City, UT. For Jen Schneider and Pete Bsumek, "The 'Influence Peddlers': Frackademia and the Rhetoric of Innovation."
8. Outstanding Book of the Year Award, Environmental Communication Division, National Communication Association. November 12, 2016, Philadelphia, PA. For Jen Schneider, Steve Schwarze, Peter K. Bsumek, and Jennifer Peeples, *Under Pressure: Coal Industry Rhetoric and Neoliberalism*. Palgrave Macmillan, 2016.
7. Christine L. Oravec Research Award in Environmental Communication. National Communication Association. November 2014, Chicago, IL. For Bsumek, Peter K., Jen Schneider, Steve Schwarze, and Jennifer Peeples. "Corporate Ventriloquism: Corporate Advocacy, the Coal Industry, and the Appropriation of Voice." *Voice and Environmental Communication*. Eds. Jennifer Peeples and Steven Depoe. 2014.
6. Top Paper, Environmental Communication Division, National Communication Association. November 21, 2014, Chicago, IL. For Jen Schneider, Steven Schwarze, Pete Bsumek, Jennifer Peeples. "The Strategic Ambiguity of Clean Coal Rhetoric."
5. National Science Foundation Workshop Fellow, Science, Ethics, and Justice: Reconsiderations and New Directions. San Francisco, CA. April 6-8, 2011.
4. "Outstanding Faculty Member," Society of Women Engineers, Colorado School of Mines, 2008, 2009, 2010.
3. Fellow, Frontiers of Engineering Education Annual Symposium, National Academy of Engineering, Washington, D.C. November 15-19, 2009.
2. Best Paper, *International Journal of Sustainability in Higher Education*. Presented at Educating Engineers for Sustainable Development Conference. Graz, Austria, September 22-24, 2008. For Jen Schneider, Juan Lucena, and Jon Leydens. "Where is Community? Engineering Education and Sustainable Community Development."
1. Marie McSpadden Sands Faculty Award for Exceptional Teaching, Scripps College, 2001.

ADVISING

Advisor or Minor Advisor

10. Jones, Craig (PhD, Public Policy and Administration, Boise State University). "Energy Policy and the Administrative Presidency." Estimated graduation date: Spring 2019. Supervisory Chair.
9. Parekh, Minal (PhD, Civil Engineering, Colorado School of Mines). "Advancing Internal Erosion Monitoring Using Seismic Methods in Laboratory Studies and Field Applications for Earth Dams and Levees." Fall 2016. Minor Advisor.
8. Lenhart, Stephanie (PhD., Public Policy and Administration, Boise State University).

“Innovation in Electricity System Governance: Policy Implementation of the Western Energy Imbalance Market.” Graduation date: May 2017. Supervisory Chair.

7. Rittgers, Justin (PhD., Geophysics, Colorado School of Mines). “Active and Passive Time-Lapse Monitoring of Earthen Embankments.” Fall 2015. Minor Advisor.

6. Knaak, Allison (PhD., Graduate Minor in Science, Technology, Engineering, and Policy, Colorado School of Mines). “3D Synthetic Aperture for Controlled-Source Electromagnetics.” Fall 2014. Minor Advisor.

5. Rubin, Marc (PhD., Graduate Minor in Science, Technology, Engineering, and Policy, Colorado School of Mines). “Efficient and Automatic Wireless Geohazard Monitoring.” Fall 2014. Minor Advisor.

4. Tidwell, Abraham (M.S., Masters in Political Economy of Resources, Colorado School of Mines). “The New Nuclear West: Uranium Milling as Community on Colorado’s Western Slope.” Graduation Date: Spring 2013. Advisor.

3. Haas, Allan (Graduate Minor in Science, Technology, Engineering, and Policy, Colorado School of Mines). “External Detection and Localization of Well Leaks in Aquifer Zones.” Fall 2013. Minor advisor.

2. Siirila, Erica R. (Graduate Minor in Science, Technology, Engineering, and Policy, Colorado School of Mines). “On the interplay between scaling small-scale reactions, mixing, and aquifer heterogeneity: Human health risk implications.” Spring 2013. Minor advisor.

1. Stone, Kerri A. (Graduate Minor in Science, Technology, Engineering, and Policy, Colorado School of Mines). “Network Support for Earthen Embankment Dam Monitoring Using Wireless Sensor Networks.” Spring 2013. Minor advisor.

PhD Committee Member

6. Committee member, PhD Supervisory Committee, Public Policy and Administration: Krista Lyons (expected completion date Spring 2018).

5. Committee member, PhD Supervisory Committee, Public Policy and Administration: Terrell Rich (expected completion date Fall 2017). Boise State University.

4. Committee member, PhD Supervisory Committee, Public Policy and Administration: Norma Jaeger (expected completion date Fall 2018). Boise State University.

3. Committee member, PhD Supervisory Committee, Department of Geography: Alicia Bean. Completed Fall 2018. University of Idaho.

2. Committee member, PhD Supervisory Committee, Public Policy and Administration: Michael Wallner (Completed Fall 2018). Boise State University.

1. Committee member, PhD Minor, Human and Social Dimensions of Technology: Abraham Tidwell. Completed Fall 2015. Arizona State University.

MS Committee Member

1. Committee member, M.S. Committee, Human Environment Systems (Geosciences): Jenna Narducci. Completed May 2018. Boise State University

EXTERNAL OUTREACH, TRAININGS, and SERVICE

9. Advisory Board member, Deep Isolation (2018-present).
8. Campfield-Nelson, Ellen, and Jen Schneider (2018). "Accelerating Outreach: Facilitation and Public Meeting Basics, Best Practices, and Fresh Techniques." *American Planning Association Conference, Idaho Chapter*. Boise, ID. October.
7. Schneider, Jen. Focus group training and Community Conversation planning and facilitation. City of Boise, Boise ID. April 2018-present.
6. Schneider, Jen. Qualitative Research Trainings and Consulting, Office of Performance Evaluation. Boise, ID. 2016-2017.
5. Schneider, Jen. "Reflections on the Rhetoric and Practice of Social Justice in Technical Settings." Invited talk, Boston Museum of Science and ECAST workshop on Consent-Based Siting of Nuclear Waste. Boston, MA. June 1, 2016.
4. Schneider, Jen. Judge, Madison Cup Debate Tournament. Topic: natural gas policy. James Madison University, Harrisonburg, Virginia. April 11, 2013.
3. Schneider, Jen. "Community Engagement: Lessons from the Nuclear Case." Invited talk, Annual Technical Conference and Exposition, Society of Petroleum Engineers. San Antonio, TX. October 8, 2012.
2. Schneider, Jen, Jason Delborne, and Juan Lucena. "Engaging Energy Scientists and Engineers at NREL: A Humanities and Social Sciences Approach to Energy Education and Research at CSM ." Invited talk, National Renewable Energy Laboratory. Golden, CO. May 2, 2012.
1. Schneider, Jen. "Engineering and Sustainable Community Development." Invited talk, National Renewable Energy Laboratory (NREL). Golden, CO. July 7, 2010.

CONFERENCE PAPERS, PRESENTATIONS, and INVITED TALKS

68. Tomblin, David, Jen Schneider, Chris Torres, and Mahmud Farooque. "Technical Expertise Meets Public Deliberation: Going Beyond Laboratory Studies to Understand the Expert/Lay Divide." Society for the Social Studies of Science. New Orleans, LA. September 4-7, 2019.
67. Schneider, Jen. "Ecochauvinism and the Rhetoric of Energy Dominance." Western Political Science Association convention. San Diego, CA. April 20, 2019.
66. Schneider, Jen. "All Shook Up: Rhetorics of Induced Seismicity." Keynote lecture. 3rd Induced Seismicity Workshop, Schatzalp. Davos, Switzerland. March 6, 2019.
65. Schwarze, Steve, Jennifer Peeples, Pete Bsumek, and Jen Schneider. "Carbon

- Dividends, Conservative Divisions." Western States Communication Association Convention. Seattle, WA. February 24, 2019.
64. Schneider, J. "Twitter and the Problem of Academic Freedom." National Communication Association Convention. Salt Lake City, UT. November 8, 2018.
63. Peeples, J., J. Schneider, S. Schwarze, P. Bsumek. "Attestant Voice: Bearing Witness in Public Hearings." National Communication Association Convention. Salt Lake City, UT. November 8, 2018.
62. Schneider, J., and A. Park (2018). Presentations to Boise City Council on Community Conversations on Growth and Housing. Boise, ID. August 21 and October 9.

POSTER SESSIONS

4. Benner, S., Brandt, J., Costa, A., Fragkias, M., Narducci, J., McSherry, L., Schneider, J., Sprague, C. "Projecting urban expansion in the Boise Metropolitan Area to 2100." Presented by Jodi Brandt at the Northwest Climate Conference. October 9-11, 2018. Boise, ID.
3. Fry, V., Schneider, J., Anderson, C., Olson, E., Lindquist, E., Talley, J. L. Community engagement, advocacy, and the application of science in the Boise River Basin. Presented at the Annual Meeting of the Idaho NSF EPSCoR. Boise, ID. Oct 28, 2015.
2. Schneider, J., Lindquist, E. Talley, J. L. Boise River Basin water management. Presented at Annual Meeting of the Idaho NSF EPSCoR. Boise, ID. Oct 28, 2015.
1. Talley, J. L., Schneider, J., Lindquist, E. The Five-Feature Framework for practical stakeholder engagement. Presented at Annual Meeting of the Idaho NSF EPSCoR. Boise, ID. October 28, 2015.

COURSES TAUGHT

Science, Democracy, and the Environment. Graduate seminar for Master's in Public Administration and Public Policy and Administration PhD program; introduction to STS core texts and cases.

Philosophy of Social Inquiry. Required seminar in the Public Policy and Administration PhD program; study of epistemology and the justifications for social research.

Qualitative Analysis and Methodologies. Graduate course emphasizing research design and qualitative research methods.

U.S. Energy Policy. Graduate course that explores the key issues in the development of major energy policy choices in the US with some attention paid to issues with international ramifications.

Energy Crises and Documentary Film. An upper-level Honors seminar that addresses key energy challenges in the United States and internationally via documentary film analysis.

Energy and Society. Graduate/undergraduate seminars examining the role of communities, the media, and policymakers in particular energy extraction and production case studies.

Advanced Science Communication. Upper-level seminar analyzing media practices, understanding potential roles for the scientist and engineer in message-making, and providing hands-on media training.

Nuclear Power and Public Policy. Graduate/undergraduate seminars surveying the history of public policy, laws and regulation, and risk communication related to nuclear power in the U.S.

Media and the Environment. Upper-level seminar introducing students to communication theory and environmental communication.

Engineering and Sustainable Community Development. Interdisciplinary, team-taught seminar; overview of development studies and sustainable community development practices for engineers.

Film Studies. Upper-level seminar. Overview of film genres, history, and aesthetics.

Visions of Progress: The Scientist and Engineer in American Film. Upper level seminar surveying the representations and ethics of celluloid science.

Nature and Human Values (NHV). Interdisciplinary introductory humanities course focusing on the ethics, literature, and history of technology and science. Emphasis on written and oral communication skills.

Research Writing and Technology. Introductory composition courses focusing on technology-based research methods and writing.

Professional Service

Chair, “Strategies for Environmental Communication in the Age of Trump.” Western States Communication Association Convention. Seattle, WA. February 23, 2019.

Chair, Climate Justice Panel. Public Address Conference. Boulder, CO. September 28, 2018.

Respondent, “Rhetoric and Activism in a Changing World” panel. National Communication Association Convention. Salt Lake City, UT. November 8, 2018.

Respondent, “Intersections of Science, Energy, and Social Change in Environmental Communication” panel. Environmental Communication Interest Group, Western States Communication Association Convention, Salt Lake City, UT. February 20, 2017.

Review Editor, *Frontiers Journal: Science and Environmental Communication*. Spring 2016 to present.

Invitee, “Advancing the Legacy of Anticipatory Governance.” Center for Nanotechnology and Society, Arizona State University. Tempe, AZ. May 3-5, 2016.

Chair and Organizer, “Multi-Scalar Conflicts over Hydraulic Fracturing.” American Association of Geographers Annual Conference. San Francisco, CA. April 1, 2016.

Participant, National Science Foundation, “How to Stand Out as a Super Communicator” Workshop. Boise, ID. March 3-4, 2016.

Associate Editor, *Social Science Journal*. September 2015 to January 2018

Chair, "Energy Panel Part 1: Hydraulic Fracturing Under Fire." Conference on Communication and the Environment, International Environmental Communication Association. Boulder, CO. June 13, 2015.

Advisory Group Member, Center for Engineering Ethics and Society, National Academy of Engineering. 2015-2018.

Program co-organizer, International Communication Workshop. Western States Communication Association Convention. Spokane, WA. February 21, 2015.

Reviewer, 2015 Conference on Communication and the Environment.

Member, Outreach Committee. Environmental Communication Interest Group. Western States Communication Association Convention. 2014-2015.

Plenary Session Chair, Society of Petroleum Engineers: "What Needs to Be Done to Maintain/Retain Our Social License to Operate?" Long Beach, CA. March 19, 2014.

Chair, "Media Myths, Science, and Energy" Panel. Western States Communication Association convention. February 17, 2014.

Panelist, Social, Behavioral, and Economic Directorate, National Science Foundation, 2014, 2015, 2016.

Panelist, Ethics in Engineering and Science Education (EESE) Program, National Science Foundation, 2013.

Board Member and Treasurer, International Environmental Communication Association (IECA), 2013-2016.

Member, Coordinating Committee, Engineering, Social Justice, and Peace (ESJP) Network, 2012-2013.

Member and Reviewer, Environmental Communication Division, National Communication Association, 2013-present.

Chair and Program Planner, Environmental Communication Interest Group, Western States Communication Association, 2012.

Reviewer and member, Association for the Rhetoric of Science and Technology, fall 2008 to 2010.

Reviewer and member, Western States Communication Association, Environmental Communication Interest Group, fall 2008 to present.

Member, International Network of Engineering Studies, Fall 2009 to Spring 2011.

Editorial Assistant and Book Review Editor, *Women's Studies: An Interdisciplinary Journal*, Claremont, California, May 2000 to July 2001.

University Service

Planning committee and coordinator, Doctoral Visitation Weekend. Boise State University. 2018-2019.

Graduate Council Representative. Boise State University. 2018-present.

Student evaluations revision committee. Boise State University. 2017-2018.

Hiring Committee, Human/Environmental Systems Cluster Hire. College of Innovation and Design. Boise State University, 2014-2015.

Professional Standards Committee (Subcommittee of Faculty Senate). Boise State University. Fall 2014 to present.

Science, Technology, Engineering, and Policy (STEP) Graduate Minor Advisor. August 2013 to August 2014.

Faculty Advisor, Sigma Lambda (GLBTIA Student Group). Colorado School of Mines. Fall 2013 to May 2014.

Moderator, Rocky Mountain Honors Council Symposium. April 20, 2013.

Faculty Advisor, Women Graduate Students Group. Colorado School of Mines. Spring 2013 to May 2014.

Representative, Graduate Council, Colorado School of Mines, Spring 2013.

Representative, Undergraduate Council, Colorado School of Mines, 2010-2011.

RISE (Red Rocks Community College Institute for Sustainable Education) Fellow.
2010-2011.

Academic Advisor, First-Year Class, Colorado School of Mines, Fall 2009.

Member, Campus Curriculum Committee, Colorado School of Mines. Spring 2009 to
Spring 2011.

Member, Sustainability Committee, Colorado School of Mines. Spring 2008 to Spring
2011.

Library Representative, Colorado School of Mines, 2006-2008.

Departmental Service

Moderator, NEW Leadership Idaho program panel, "Getting Started." May 24, 2016.
Boise State University.

Co-Chair, New Academic Programs Working Group, School of Public Service. Spring
2016-present. Boise State University.

Hiring committee member, Public Policy and Administration. Fall 2015. Boise State
University.

Member, Humanitarian Engineering Curriculum Committee. Spring 2013. Colorado
School of Mines.

Member, McBride Honors Program Practicum Committee. Fall 2012 to spring 2014.
Colorado School of Mines.

Member, McBride Honors Program Curriculum Committee. Fall 2012 to spring 2014.
Colorado School of Mines Colorado School of Mines.

Member, LAIS Graduate Curriculum Committee. Fall 2012 to spring 2014. Colorado
School of Mines.

Member, Search Committee, Energy Policy position. Spring 2012. Colorado School of
Mines.

Member, advisory committee, MIPER STEP track and Science, Technology,
Engineering, and Policy (STEP) undergraduate minor. 2010 to 2014. Colorado School of
Mines.

Member, Advisory Committee, Nuclear Science and Engineering. Summer 2010 to
May 2014. Colorado School of Mines.

Member, Search Committee, Science and Technology Policy position, Fall 2007.
Colorado School of Mines.

Coordinator, Liberal Arts and International Studies Hennebach Program for the Humanities Faculty Seminar. Spring 2006 to Fall 2007. Colorado School of Mines.

Member, Assessment Committee, Liberal Arts and International Studies, Colorado School of Mines. Fall 2006 to spring 2008. Colorado School of Mines.

Author and coordinator, Frank Oppenheimer Science and Society Award for first-year students, Liberal Arts and International Studies. Fall 2005-Spring 2008. Colorado School of Mines.

Member, Kafadar Award Committee, Liberal Arts and International Studies Fall 2005, 2009-2011. Colorado School of Mines.

Member, Curriculum and Scheduling Committees, Liberal Arts and International Studies. Fall 2005-Fall 2007. Colorado School of Mines.

Co-Author and Coordinator, Grant for Ethics across the Curriculum pilot program. Spring 2004-Fall 2005. Colorado School of Mines.

Representative, Liberal Arts and International Studies, Arthur Lakes Library Advisory Committee. Fall 2004-Fall 2007. Colorado School of Mines.
