GRADUATE ASSISTANTSHIPS

A limited number of competitive Graduate Assistantship opportunities are available. Graduate assistantships typically offer a 9-month Teaching Assistantship position that includes an approx. $9,000 stipend, tuition and fee waiver, and student health insurance.

Graduate Assistants must enroll for a minimum of nine credit hours each semester and must meet other requirements as set by the Graduate College.

Applying for a Graduate Assistantship

If you are interested in being considered for a Graduate Assistantship (GA) opportunity, please also complete a Graduate Assistantship Statement of Purpose describing your interest in receiving a graduate assistantship.

In particular, please discuss what you hope to learn as a graduate assistant and how a graduate assistantship might help you achieve your overall goals for graduate study. Additionally, please describe your relevant background experiences that have prepared for your succeeding as a graduate assistant. Please discuss previous leadership, teaching, research, and/or other relevant experiences and how they have provided useful knowledge and/or abilities for success as a Graduate Assistant. Please keep your response to a maximum of two double-spaced pages.

Also, please indicate that you are applying for a Graduate Assistantship when completing the Letter of Recommendation Forms so those writing letters of recommendation for the program can include an assessment of your abilities related to serving as a Graduate Assistant.
