UF 200 Placement Criteria

The following only applies to students who are not currently in a specifically designated student group.

A student will be considered for UF 200 placement if they meet all the following criteria:

1. The student is not core certified and has not earned an associate of arts or associate of science.
2. The student is transferring 26 or more earned academic credit hours from another college or university.
Note: this review applies only to students who are transferring from other institutions and not to any course work completed at Boise State.
3. The student has transferred in at least three courses that were equated as Foundations of the Discipline* courses with a C- or higher. Of the three courses, two can be FNs provided they are from two different fields and at least one has a lab; two can be FSs provided they are from two different fields; and only one course can be used from each of the FA, FH, and FM categories.

Foundations of the Discipline Transfer Courses

Boise State Course Subject and Number (e.g., PSYC 101)	Transferring Institution (e.g., Oregon State University)	Foundations of the Discipline Category (e.g., FS)

If a student qualifies for placement into UF 200, submit this completed form to University Foundations. Upon approval, the student will be placed into the UF 200 student group indicating completion of UF 100 and placement into UF 200.

Note: ENGL 102 is a pre-requisite for UF 200 and must be met *prior* to a student enrolling in the course. A student can place into UF 200, but may still have to wait to enroll until they have completed all prerequisites.

Prior to submitting to University Foundations, this form must be signed by the student's academic advisor.

Advisor Notes

Advisor Name	Advisor Signature
University Foundations Director Signature	Date

*For catalogs prior to 2018-19, Foundations of the Discipline courses were labeled as Disciplinary Lens Courses, and University Foundations was formerly known as the Foundational Studies Program.
