

**Allowable scenarios of scheduling of classes under the proposed revision to Policy 4160.**

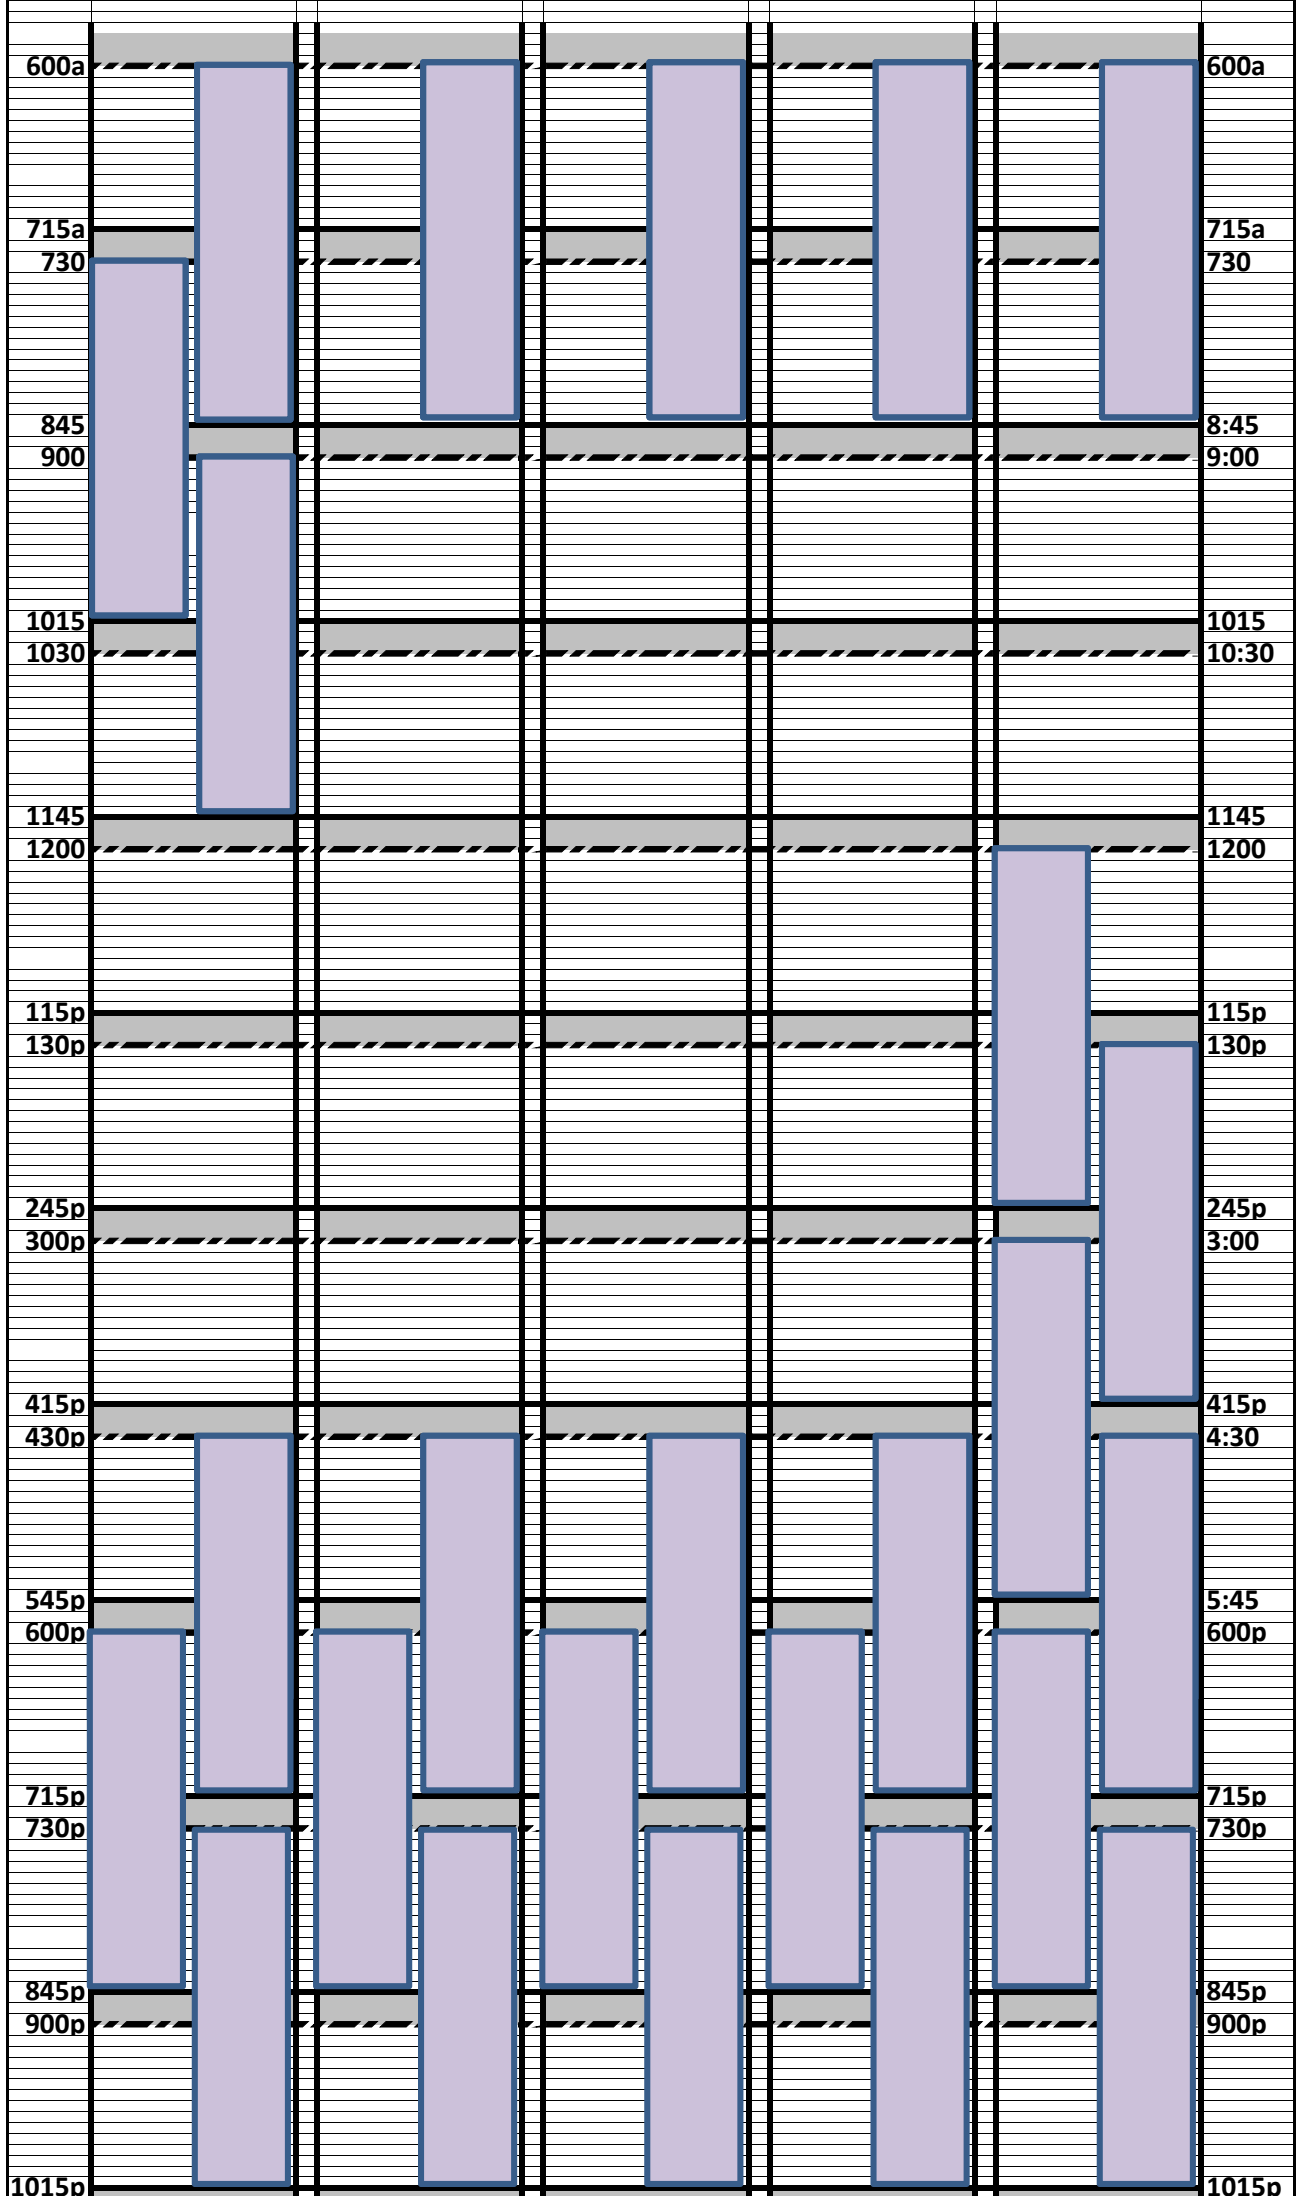

Important note: Policy 4160 applies to all for-credit courses offered in all classrooms, including those controlled by the department or college. Exceptions will likely be granted for situations involving outside constraints, such as the need for students to attend clinical experiences off campus.

Potential 75 min blocks, typically 2 x 75 min = 3 credits

600a					600a
715a					715a
730					730
845					8:45
900					9:00
1015					1015
1030					10:30
1145					1145
1200					1200
115p					115p
130p					130p
245p					245p
300p					3:00
415p					415p
430p					4:30
545p					5:45
600p					600p
715p					715p
730p					730p
845p					845p
900p					900p
1015p					1015p

Potential 3 hour blocks: 2 x 75 = 3 credits

4 credit classes on 3 days a week: 2 x 75 min + 1 x 50 min:  
 note that 50 min class could be on M or W or F
