20. **REJECTION OF BIDS AND PROPOSALS AND CANCELLATION OF SOLICITATION:**

A. Prior to the issuance of a Contract, the University shall have the right to accept or reject all or any part of a Bid, Proposal or Quotation and any and all Bids, Proposals and Quotations when: (i) it is in the best interests of the University; (ii) the Bid, Proposal or Quotation does not meet the minimum specifications; (iii) the Bid, Proposal or Quotation is not the lowest responsible Bid, Proposal or Quotation; (iv) a finding is made based upon available evidence that a submitting Vendor is not responsible or is otherwise incapable of meeting specifications or providing an assurance of ability to fulfill Agreement requirements; or (v) the item offered deviates to a major degree from the specifications, as determined by the University (minor deviations, as determined by the University, may be accepted as substantially meeting the Solicitation requirements). Deviations will be considered major when such deviations appear to frustrate the competitive Solicitation process or provide a submitting Vendor an unfair advantage.
B. Prior to the issuance of an Agreement, the University shall have the right to reject all Bids, Proposals, or Quotations or to cancel a Solicitation. Cancellation may be for reasons that include, but are not limited to: (i) inadequate or ambiguous specifications; (ii) specifications have been revised; (iii) Property is no longer required; (iv) there is a change in requirements; (v) all submissions are deemed unreasonable or sufficient funds are not available; (vi) Bids, Proposals or Quotations were not independently arrived at or were submitted in bad faith; (vii) it is determined that all requirements of the Solicitation process were not met; (viii) insufficient competition; or (ix) it is in the best interests of the University.

21. BURDEN OF PROOF: It shall be the responsibility and burden of the submitting Vendor to furnish, with its original submission, unless otherwise provided in the Solicitation, sufficient data for the University to determine whether or not the property offered conforms to the specifications.

22. ALTERNATE BIDS: Multiple bids submitted by a single submitting Vendor, or a submitting Vendor's alternate bids, WILL NOT BE ACCEPTED UNLESS SO STATED IN THE SPECIFICATIONS.

23. DISCOUNTS: Discounts, when applicable, shall be shown in a single net percentage figure (e.g. 57-1/4% instead of 50, 10, and 5 percent). DISCOUNTS FOR PROMPT PAYMENT WILL BE ACCEPTED BUT CANNOT BE USED IN DETERMINING THE LOWEST BID.

24. UNIT PRICES GOVERN: Unit prices shall govern. IMPORTANT: Prices must be given in the "unit of measure" required in the Solicitation. Example: If the Solicitation requires an item by the "piece," submit pricing by the "piece." If the Solicitation requires an item by the "foot," submit pricing by the "foot."

25. FIRM PRICES: The submitting Vendor agrees that its Bid, Quotation or Proposal shall be good and may not be withdrawn for a period of sixty (60) days after the scheduled closing date, unless otherwise identified in the Solicitation. No Bid, Quotation or Proposal will be accepted if marked "price prevailing at time of delivery," "estimated prices," "actual costs to be billed," or similar phrases. After the date and time of closing, no price change will be allowed, unless otherwise stated in the Solicitation. All Bids, Quotations and Proposals must be in U.S. Dollars.

26. ORAL INFORMATION: Questions concerning a Solicitation must be directed in writing to the designated purchasing official in the period of time prescribed in the Solicitation. Bids, Proposals, or Quotations deviating from the specifications by any means other than that which is allowed by an amendment to the Solicitation written and issued by the University will be subject to rejection. The University will not be responsible for any verbal or oral information given to Vendors by anyone other than an authorized purchasing official who has provided information in writing. Reliance on any oral representation is at the Vendor's sole risk.

27. GOVERNMENTAL USE ONLY: Unless otherwise noted in the Solicitation, all purchases made pursuant to the Solicitation are for the internal use of government only and will not be resold to the general public at retail. Upon request, the University will issue a certification that all purchases made pursuant to the Solicitation are intended for the internal use of government and will not be resold to the general public at retail.

28. PUBLIC RECORDS:

A. The Idaho Public Records Law, Idaho Code Title 74, Chapter 1, as amended, allows the open inspection and copying of public records. Public records include any writing containing information relating to the conduct or administration of the public's business prepared, owned, used, or retained by a State Agency or a local agency (political subdivision of the State of Idaho) regardless of the physical form or character. All, or most, of the information contained in your response to the University's Solicitation will be a public record subject to disclosure under the Public Records Law. The Public Records Law contains certain exemptions. One exemption potentially applicable to part of your response may be for trade secrets. Trade secrets include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy. If you consider any material that you provide in your Bid, Proposal or Quotation to be a trade secret, or otherwise protected from disclosure, you MUST so indicate by marking as "exempt" EACH PAGE containing such information. Marking your entire Bid, Proposal or Quotation as exempt is not acceptable or in accordance with the Solicitation or the Public Records Law and WILL NOT BE HONORED. In addition, a legend or statement on one (1) page that all or substantially all of the response is exempt from disclosure is not acceptable or in accordance with the Public Records Law and WILL NOT BE HONORED. Prices that you provide in your Bid, Proposal or Quotation are not a trade secret. The University, to the extent allowed by law and in accordance with these Solicitation Instructions, will honor a designation of nondisclosure. Any questions regarding the applicability of the Public Records Law should be addressed to your own legal counsel PRIOR TO SUBMISSION of your Bid, Proposal or Quotation.

B. If your Bid, Proposal or Quotation contains information that you consider to be exempt, you must also submit an electronic redacted copy of the Bid, Proposal or Quotation with all exempt information removed or blacked out. The University will provide this redacted Bid, Proposal or Quotation to requestors under Idaho Code Sections 74-101 through 74-126. Submitting Vendors must also: 
1. Identify with particularity the precise text, illustration, or other information contained within each page marked "exempt" (it is not sufficient to simply mark the entire page). The specific information you deem "exempt" within each noted page must be highlighted, italicized, identified by asterisks, contained within a text border, or otherwise be clearly distinguished from other text or other information and be specifically identified as "exempt."

2. Provide a separate document with your Bid, Proposal or Quotation entitled "List of Redacted Exempt Information," which provides a succinct list of all exempt material noted in your Bid, Proposal or Quotation. The list must be in the order in which the material appears in your Bid, Proposal or Quotation, identified by Page#, Section#/Paragraph#, Title of Section/Paragraph, specific portions of text or other information; or in a manner otherwise sufficient to allow the University to determine the precise material subject to the notation. Additionally, this list must identify with each notation the specific basis for your position that the material be treated as exempt from disclosure.

C. Vendor shall indemnify and defend the University and State of Idaho against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring a designation of exempt or for the Vendor's failure to designate individual documents as exempt. The Vendor's failure to designate as exempt any document or portion of a document that is released by the University shall constitute a complete waiver of any and all claims for damages caused by any such release. If the University receives a request for materials claimed exempt by the Vendor, the Vendor shall provide the legal defense for such claim.

29. LENGTH OF AGREEMENTS: Pursuant to Idaho Code Section 67-9205(10), the University may enter into Agreements, including leases and rentals, for periods of time exceeding one (1) year provided that such Agreements contain no penalty to or restriction upon the University in the event cancellation is necessitated by a lack of financing for any such Agreement or Agreements.

30. LEASE-PURCHASE OPTIONS: Idaho Code Section 67-9222 reads, in part, as follows: "Any exercise by the state of an option to acquire [certain goods, services, parts, supplies and equipment], or any other procedure which shall serve to pass title to the state where no passage of title existed before, shall be deemed to be a new acquisition and prior to execution all applicable provisions and procedures of [Idaho Code, Chapter 92, Title 67] shall be exercised." (NOTE: This provision is NOT applicable to time purchase or installment-purchase Agreements).
