The Illusionists  
**Film Length:** 54 min  
**Topics:** Globalization, Beauty Standards, Sexism, Media Literacy, Consumerism  
Insecurity sells. Multi-billion dollar industries saturate our lives and media with unattainable beauty standards, body hatred, and Westernized ideals of perfection. While women are the largest target of insecurity marketing, the number of ads targeting men and children are rising. Discuss how we can use consumer power to turn the tables. [http://theillusionists.org/film/](http://theillusionists.org/film/)

Intersex  
**Film Length:** 68 min  
**Topics:** Intersex Identities and Experiences, Gender Identity, Sexuality  
In this documentary, intersex individuals reveal the secrets of their unconventional lives – and how they have navigated their way through this strictly male/female world, when they fit somewhere in between. [http://www.intersexionfilm.com/](http://www.intersexionfilm.com/)

Iron Jawed Angels  
**Film Length:** 123 min  
**Topics:** Activism, Suffrage, United States History

**Rape in the Fields**

**Film Length:** 54 min  
**Topics:** Sexual Assault, Migrant Women

Expose the hidden reality faced by migrant women working in America’s fields and packing plants as they fight to stay employed and provide for their families. Examine the culture of rape in the fields and the systems that prevent access to justice.  

**Top Secret Rosies**

**Film Length:** 56 min  
**Topics:** Women in STEM, History

In 1942 a secret US military program was launched to recruit female mathematicians who would become human 'computers' for the Army. When the first electronic computer (ENIAC) was developed, six of these women were tapped to become its first programmers, yet the amazing account of these women remains untold, until now.  

**Tough Guise 2**

**Film Length:** 78 min  
**Topics:** Masculinity, Violence, Media Literacy

What are the connections between mass shootings, day-to-day gun violence, violence against women, bullying, gay-bashing, and American militarism? In this film, Jackson Katz critically analyzes the impact of messages that boys and young men routinely receive and suggests an alternate conceptualization of masculinity.
