

Scholarship Application

Osher Lifelong Learning Institute at Boise State University

The Osher Institute believes the opportunity to participate in our rich intellectual community should be available to anyone who wishes to participate. Individuals in need may apply for scholarships for three (3) consecutive years. After three years, the member will be asked to take a one-year break with the option to apply again the following year.

Scholarships are available to adults over age 50 whose financial situation prevents participation without scholarship assistance.

Scholarships include:

- A free annual membership (fall and spring semesters)
- Access to register for lectures and some special events at no additional cost
- Half-price discount on up to three (3) fee-based offerings per semester

Please note: *Scholarships are not available for fee-based special events or trips.*

Please complete the form below and return it to the Osher Institute in the provided business reply envelope. Once received, the application will be sent to the Osher Institute Scholarship Committee for review. When the committee has reached a decision, you will receive notice from the Institute on how to proceed.

Background Information

Please describe your interest in the Osher Institute:

Please briefly explain your financial situation in terms that allow the Scholarship Committee to understand your need for financial assistance. (Because fixed incomes vary widely, simply stating that you are on a fixed income is not sufficient.)

Age Certification and Signature

Scholarships are available to adults over age 50 whose financial situation prevents participation without scholarship assistance. Please check the box to verify that you are over age 50 at the time of this application.
