Acceptance of Terms and Conditions Form – Parent/Guardian Must Initial

- As part of FIRST Robotics individual participants may be photographed and/or audio-video recorded. These photographs and recordings are for the sole purpose of documenting the events of the team activities and to be used in the education of others and academic research related to FIRST Robotics. I agree for my child to be photographed and be audio-video recorded in activities directly related to my participation in FIRST Robotics. Initial _____

- As part of FIRST Robotics assessment and sustainability, participants will provide feedback and information regarding interests in technical careers, demographics, college interest, etc. I authorize Boise State staff to use anonymous data collected when my child fills out feedback or evaluation forms about FIRST Robotics to aid in program improvement and for inclusion in appropriate publications. Initial _____

- I understand that through participation in FIRST Robotics, my child may be contacted directly via email and phone for the purpose of communicating team activities such as meeting notices, updates, and other team events. I also understand that my child may be sent emails regarding scholarships, events, and other opportunities, and may be contacted via email to help track participants for grant writing purposes.
