The Southwest Idaho AHEC invites you to become an AHEC Scholar! The AHEC Scholars Program is a nationally recognized interdisciplinary educational and training program that focuses on preparing a diverse, culturally competent healthcare workforce specializing in rural and underserved areas.

What’s in it for you?

- Access to world class curriculum developed by the University of Washington School of Medicine.
- Engage with a cohort of up to 15 peers from multiple health professions fields.
- Activities that complement your current academic program.
- Engage with rural and underserved communities.
- Participate in an employer networking event.
- Earn a nationally recognized certificate.
- The program is FREE!
What are the requirements?
