

Curriculum Vitae

LILLIAN UPTON SMITH

Office: Department of Community and Environmental Health | School of Allied Health | College of Health Sciences
Boise State University | 1910 University Drive | Boise, ID 83725 | (208) 426-3921 | lilliansmith@boisestate.edu

EDUCATION

Doctor of Public Health (2004), Health Promotion and Education, Arnold School of Public Health, University of South Carolina, Columbia

Dissertation: “Distance Education in Schools of Public Health: An Organizational Diffusion Study”

Chair: Donna L. Richter, EdD, FAAHB

Master of Public Health (2001), Prevention Science, Rollins School of Public Health, Emory University, Atlanta

Practicum/Thesis: “Responding to and Preventing Sexual Harassment: Online Training for Middle School Health Teachers”

Bachelor of Arts (1989), English/Business Communication, East Carolina University, Greenville, NC

Certificates

Graduate Certificate in Adult & Distance Education (2003), Pennsylvania State University, World Campus

Certificate in Business & Technical Communication (1989), East Carolina University Greenville, NC

Professional Development

Inter-professional Education Collaborative: Building Inter-professional Education for Population Health

FSG & Tamarck: Champions for Change: Leading a Backbone Organization for Collective Impact

Institute of Cultural Affairs, Technology of Participation Facilitation Trainings: Focused Conversations, Secrets of Implementation, Strategic Planning, and Mastering ToP Methods

Academic Impressions: Leadership in Higher Education and Distance Education in Higher Education

South Carolina Turning Point: Collaborative Leadership, train-the-trainer

ACADEMIC EXPERIENCE

Boise State University, College of Health Sciences, School of Allied Health, Department of Community and Environmental Health, Boise, ID (2016-present)

Department Head, (8/2016-present)

Responsible for leading and managing academic department, including faculty workload and development, administration, and curriculum, and ensuring accreditation of the public health baccalaureate degree.

Associate Professor, tenured, (8/2016-present)

Responsible for teaching and developing courses, working with community organizations and students on placements, collaborating with faculty and partners on applied scholarship, and advancing the field of community engagement.

West Virginia University, School of Public Health, Morgantown, WV (2014-2016)

Interim Associate Dean, (3/2015-7/2016) Community Engagement

Responsible for developing relationships with academic and practice partners, workforce development, the Osher Lifelong Learning Institute, the practice-based experience, and community engagement. Oversaw the Community Advisory Board and Alumni Advisory Board.

(3/2015-3/2016) Academic Affairs

Oversaw accreditation, faculty affairs, curriculum, assessment, and dual degree programs. Led successful response to initial site visit. Represented the School of Public Health as needed in Health Sciences and with the WVU Registrar and Provost's offices.

Associate Professor, tenured (2014-2016) Department of Health Policy, Management & Leadership

Developed and taught graduate and continuing education courses on community assessment, engagement, and collective impact; revised and taught the departmental core course for face-to-face and distance delivery; and mentored junior faculty and students.

USC Arnold School of Public Health, Columbia, SC (2001-2014)

Assistant Dean (2014) Office of Practice and Community Engagement

Led an office of the Dean and developed mutually beneficial relationships with governmental, non-profit, and industry partners; developed and managed student placement systems; led technology, communication, practice and evaluation, and community engagement functional teams in the conception and execution of strategic plans aligned to office vision and values; led adult, distance, and continuing education initiatives; partnered with external vendor to turn existing continuing education program into an internationally marketed public health certificate; and managed all grants, contracts, and revenue budgets (\$1.8m/yr, \$10m overall).

Director (2010-2014) South Carolina Public Health Training Center

Administered the HRSA-funded program to meet the training and development needs of the public health workforce throughout SC; coordinated with the national network of training centers; implemented a virtual campus with a learning management system that included a competency assessment and skills gap analysis, continuing education certificate, just in time trainings, and a community of practice; and created nationally recognized student field placement and faculty/student community project programs.

Graduate Director (2006-2014) Certificate of Graduate Study in Public Health

Developed and administered a cross-disciplinary academic program targeting working professionals and a scholarship program for governmental public health practitioners; created a "home" for local and distance students; and advised all participants.

Clinical Assistant then Associate Professor (2005-2014) Department of Health Promotion, Education and Behavior

Developed and taught academic and continuing education courses on health promotion, community assessment, improvement planning, and community engagement through face-to-face and distance modalities and oversaw communities of practice; mentored students and other faculty in application of public health in community settings; and served the School as Chair of the Information Technology and Distance

Smith, Lillian U.

Education Committee and served the department as a member of the MPH Committee.

Director (2007-2014) Office of Public Health Practice

Developed policies, guides, and technology solutions to facilitate student field experiences; developed post-graduate programs; received foundation funding to develop distance and adult instructional design capacity and infrastructure development; worked with USC Continuing Education and Distance Education and Instructional Services to be the first group to use the BlackBoard system for non-matriculated students at USC; and partnered with other organizations to garner resources for public health in South Carolina.

Director (2004-2014) South Carolina Public Health Consortium

Oversaw the academic health department program for South Carolina, facilitating infrastructure to bridge practice and academic partners.

Adjunct Associate Professor (2004-2008) Department of Health Services, Policy, and Management

Developed and taught hybrid graduate course, Community Assessment and the Delivery of Healthcare.

Research Associate (2001-2003)

USC Prevention Research Center (CDC Prevention Research Center program)

USC Academic Center for Public Health Preparedness

Teaching Assistant

Department of Health Services, Policy, and Management (Summer I 2002)

Department of Health Promotion, Education, and Prevention (Fall 2001)

East Carolina University, Greenville, NC Intern (1988-1990) ECU Chancellor's Forum

Berea College, Berea, KY Teaching Assistant (1986-1987) Physical Education and Health

OTHER PROFESSIONAL EXPERIENCE

Instructor (2001-2010), Society for Public Health Education (SOPHE), Network of Health Education and Communication Trainers

Responsibilities: Prepared and presented courses under contract with SOPHE for the CDC University's Health Communication Certificate Program. Courses included *Cross-cultural Communication* and *Working with Creative Teams*.

Project Director (2001-2002), The Providence Group

Responsibilities: Developed concept and wrote proposal for funded grant (\$60,000) through the United States Department of Education Small Business Innovation Research program to develop and pilot a distance-based graduate course for school personnel on preventing and responding to sexual harassment; developed program and coordinated implementation of course and research; and taught online course.

Director of Education/Community Relations (1997-2000), Sexual Trauma Services

Responsibilities: Developed, supervised, and evaluated high school and the community-based risk reduction programs and media and information strategies; delivered programs to approximately 5000 participants annually in the community and school district prevention programs; supervised and evaluated volunteer programs; collaborated with other organizations on local and statewide projects and task forces regarding standardizing prevention education; and developed and wrote successful proposals for additional United Way

Smith, Lillian U.

(\$50,000) and other private organizational funding and the agency continuation applications.

Program Coordinator (1996-1997), Medicare Secondary Payer (BC/BS of SC)

Responsibilities: Liaison for attorneys, beneficiaries, and federal staff regarding Medicare compromises and oversaw all federal reporting, public outreach, computer releases/programming changes, and quality control.

Program Information Coordinator (1992-1995), SC Assistive Technology Project

Responsibilities: Coordinated and managed development and dissemination of all project information and materials; wrote grant proposals and continuation applications; implemented public relations plans and wrote public service announcements; coordinated conferences; and planned and supervised the federal budget.

COURSES TAUGHT

Graduate Courses:

Public Health Leadership (face-to-face and distance)
Community Assessment, Improvement Planning, & Collective Impact (face-to-face)
Community Health Problems (face-to-face and distance)
Community Assessment and the Delivery of Health Care (distance)
Health Education and Promotion Concepts and Methods (face-to-face and distance)
Preventing Sexual Harassment: A Public Health Approach (distance)

Undergraduate:

Community Health Issues (face-to-face)
Personal Wellness (face-to-face)
Introduction to Wellness (face-to-face)

Continuing Education:

Community Assessment and Engagement (distance)
Evidence-Based Public Health: Planning and Evaluation (face-to-face and distance)
Introduction to Public Health (face-to-face and distance)

PEER-REVIEWED POSTERS/PRESENTATIONS

Students=Underlined names *Practitioners*=Italicized names

Hayes, H.G., *Witkowski, S.*, & **Smith, L.U.** (2015, November). *Lessons learned on the field: Developmental evaluation is not hokey pokey.* Poster presentation at Evaluation 2015, Chicago, IL.

Kavanaugh, K. & **Smith, L.U.** (2014, November). *Facilitator vs. Coordinator: Finding balance in non-traditional academic community partnerships.* Presentation at the 142nd Annual Meeting and Exposition of the American Public Health Association, New Orleans, LA.

Hopkins, X., Frass, L.R., **Smith, L.U.**, & Hand, G.A. (2014, November). *Strengthening public health through collaborative efforts for public health practitioner career development.* Poster presentation

Smith, Lillian U.

at the 142nd Annual Meeting and Exposition of the American Public Health Association, New Orleans, LA.

- Frass, L. R., **Smith, L.U.**, McGrievy, M., Hopkins, X., & Hand, G. (2013, November). *More than a webinar: How SC public health training center is using a competency-based learning management system to support practitioners' professional development*. Poster presentation at the 141st Annual Meeting and Exposition of the American Public Health Association, Boston, MA.
- Hopkins, X., Frass, L.R., **Smith, L.U.**, Hand, G.A., & Ellison, L. (2013, November). *Strengthening the public health workforce by supporting a learning culture value system*. Poster presentation at the 141st Annual Meeting and Exposition of the American Public Health Association, Boston, MA.
- Paul, T., Rouse, S., *Grice, B.*, & **Smith, L.U.** (2013, November). *Capacity building in South Carolina: The importance and power of partnerships in designing a community engagement toolkit*. Presentation at the 141st Annual Meeting and Exposition of the American Public Health Association Boston, MA.
- Frass, L. R., **Smith, L.U.**, & McGrievy, M. (2013, June). *Maintaining quality in a distance learning continuing education certificate program*. Presentation at the Distance Learning Administration Conference, Jekyll Island, GA.
- McGrievy, M., Frass, L.R., & **Smith, L.U.** (2013, June). *Making the technology pieces fit: Putting together the infrastructure to grow distance learning*. Presentation at the Distance Learning Administration Conference, Jekyll Island, GA.
- Smith, L.U.**, Kyle, J., Hicks, S., Goff, O., Macaуда, M., & Frass, L. (2012, October). *Transforming community assessment: The Healthy South Carolina Initiative*. Presentation at the 140th Annual Meeting and Exposition of the American Public Health Association, San Francisco, CA.
- Kavanaugh, K. & **Smith, L.U.** (2013, February 15). *LiveWell Kershaw: Community health needs assessment*. Presentation at the SC Public Health Association Winter Conference, Columbia, SC.
- Frass, L. R., Hopkins, X.L., Ellison, L., **Smith, L.U.**, & Kyle, J. (2012, October). *Meeting workforce development demands in times of challenge: South Carolina's public health workforce assessment*. Poster presentation at the 140th Annual Meeting and Exposition of the American Public Health Association, Washington, DC.
- Rouse, S., Paul, T., **Smith, L. U.**, & *Grice, B.* (2012, October). *Methods to effectively collect data to assess community health concerns and perceptions in a rural setting*. Presentation at the 140th Annual Meeting and Exposition of the American Public Health Association, Washington, DC.
- Diedhiou, A., Simeon, R., Heidari, K., Kirby, E., Gordon, K., & **Smith, L.U.** (2011). *Childhood obesity surveillance in South Carolina: Challenges in meeting state and local data needs*. Poster presentation at the CDC 28th Annual BRFSS Conference, Atlanta, GA.
- Frass, L., Hopkins, X., **Smith, L.U.**, & VanderKnyff, J. (2011). *Competency cross-walking: Taking the first step toward providing comprehensive competency-based education for the public health workforce in South Carolina*. Presentation at the American Public Health Association 139th Annual Meeting and Exposition, Washington, DC.
- Patterson, N., Frass, L., Hopkins, X., **Smith, L.U.**, & Hand, G.A. (2011). *Creation of MySPH, the USC Arnold School of Public Health's web portal*. Poster presentation at the American Public Health Association 139th Annual Meeting and Exposition, Washington, DC.

Smith, Lillian U.

- Youmans, E. & **Smith, L.U.** (2010). *Concurrency & HIV risk behaviors of female prisoners: Focus group analysis*. Oral presentation at the 2010 South Carolina HIV/STD Conference, Columbia, SC.
- Cashen, E.R., Davidson, C.R., & Smith, L.U. (2010, September). *WISEWoman qualitative evaluation*. Poster presentation at the 16th Annual Diabetes Fall Symposium for Primary Health Care Providers. Charleston, SC.
- Smith, L.U., Byrd, M., Heidari, K., & Rhoades, D.** (2009). *Public health postgraduate program: Preparing academic public health practitioners*. Presentation at the American Public Health Association 137th Annual Meeting and Exposition, Philadelphia, PA.
- Smith, L.U., Kyle, J., Waddell, L., Hand, G., & Ross, A.** (2009). *Fundamentals in public health: Professional development through distance education*. Presentation at the American Public Health Association 137th Annual Meeting and Exposition, Philadelphia, PA.
- Tu, F., **Smith, L.U.,** Watkins, K., & McLaughlin, P.L. (2008). *Uses of virtual reality in professional education: An examination of collaborations between programs in library and information science and in public health education*. Paper session at the Southern Chapter Medical Library Association 58th Annual Meeting, Birmingham, AL. Retrieved on February 28, 2009, from http://www.lhl.uab.edu/scmla2008/schedules/2008_program.pdf.
- Ogbuanu, C.A., Jones, C., McTigue, J.F., Baker, S.L., Heim, M., Baek, J.D., & Smith, L.U. (2007). *Evaluation of the postpartum/newborn home visit (PPNBHV) service: Aiken County, South Carolina Department of Health and Environmental Control*. Poster presentation at the American Public Health Association 135th Annual Meeting and Exposition, Washington, DC.
- Smith, L.U.** (Session Organizer), Kyle, J., Waddell, L., & Richter, D. (2006). *Innovative academic/practice partnerships in South Carolina*. Session at the American Public Health Association 134th Annual Meeting and Exposition, Boston, MA.
- Smith, L.U.** and Kyle, J. (2006). *Innovative academic/practice partnerships in South Carolina: Professional development*. Presentation at the American Public Health Association 134th Annual Meeting and Exposition, Boston, MA.
